

1st ANNOUNCEMENT: CALL FOR ABSTRACT

PAWEES 2017 International Conference November 9–10, 2017 Tai-Chung, Taiwan

AIMS AND SCOPES

The conference objective is to create an interactive platform for paddy and water environment related researchers, scientists, practitioners, policy makers and other professionals from Asia-Pacific Region and else around the world to share and present their novel advances, research findings, perspectives and experiences in response to, but not limited to, sustainable water and environmental management.

CONFERENCE THEMES

General session:

The conference pivots on the general theme **"Sustainable Water and Environmental Management"** accompanied with the following focal topics:

Topic 1 | Sustainable water use and ecologically sustainable development

Topic 2 | Development of rural society with water in Asia

Topic 3 | Sustainable paddy farming

Topic 4 | Integrated watershed management

Topic 5 | Droughts and flood disaster risk management

Student session:

"Sustainable Water and Environmental Management"

CALL FOR ABSTRACTS

Authors are invited to submit abstracts to the scientific committee of the conference. The notification of acceptance will be dispatched after the decision making from the scientific committee. Student sessions will be operated separately.

Submission:

The abstract submission process for PAWEES 2017 will be through an online submission portal. Submitters are requested to create an account and submit an abstract for review according to the Registration steps on this website.

Oral presentation:

Time allotment for each oral presentation will be 15 minutes, in which 10 minutes for presentation and 5 minutes for Q & A are suggested, and session rooms are equipped with standard PowerPoint presentation facilities.

Poster presentation:

Poster boards are 8' high with a surface of 4' x 6' and are placed in rows in a poster room. Presenters are asked to be at their assigned poster board during the entire length of the poster session.

LANGUAGE

The official language of the conference will be English. All abstracts and posters should be submitted in English.
